Mayor Ridgeway,

Let me begin by again saying congratulations on your recent election and swearing in ceremony. I and my family are very excited for you, Melissa and your family as you embark on this journey of service to our community and look forward to helping in any way that we can.

I am writing to let you know that I wish to remove my name from consideration for the vacancy of the school board seat for District II. In no way did I ever intend to create or cause any distention amongst the current board, other interested parties or the County Commission. I am grateful that there is interest in the position, and trust that whomever the Commission decides on will act in the best interest of the County School System, the staff and most importantly the students.

Thank you for your consideration and all that you have and are yet to do for our County.
