April 29, 2025

County Mayor, Randy Geiger

I am writing to inform you that I am resigning from my position as Chairman of the Henry County Sheriff's Department Civil Service Board.

I have served on this board since accepting my appointment in July of 1995, honorably and with sincere loyalty and dedication to my lifelong community of Paris and Henry County.

Recent events have led to some uncertainty and conflicting views of the role of the Civil Service Board to the Henry County Sheriff's Office. It is also my understanding that the Commission adopted a Resolution to submit to the State regarding the dissolution of the Board so with that in mind thank you for the opportunity to serve.

Respectively

**AUDIT COMMITTEE REPORT TO THE  
HENRY COUNTY COMMISSION  
MAY 12, 2025**

The Henry County Audit Committee consisting of Steve Greer-Chairman, Melanie Dodd-Vice Chairman, Kenneth Humphreys, Cody Craig, Jill Coker, and Andy Collins is pleased to submit this report to the Henry County Commission.

Our committee met on May 12, 2025 to review the Comptroller's Annual Financial Report for Henry County, Tennessee for the fiscal year ended June 30, 2024. A copy of the minutes of this meeting is attached hereto.

We reviewed Prior Year Financial Statements Findings for the year ended June 30, 2024, Part I Summary of Auditor's Results, Part II Findings Related to the Financial Statements, Part III Findings and Questioned Costs for Federal Awards, Management's Corrective Action Plans for the Year Ended June 30, 2024, and the Corrective Action Plans. Below is the review for each finding:

**Finding 2024-001** – The General Fund required material audit adjustments for proper financial statement presentation.

CFO Hollingsworth responded that she has spoken to CTAS who has recommended that she process her month-end after the Trustee has closed her month and that would allow her to have accurate accounts receivable which will help to eliminate this finding.

**Finding 2024-002** – Purchase orders were not issued properly.

Mayor Geiger responded that this finding has been discussed with all officials and department heads. The importance of getting a purchase order prior to purchasing has been emphasized to ensure compliance going forward.

**Finding 2024-003** – Deficiencies were notes with a bank account that had not been recorded on the cash journal.

Sheriff Frey responded that the person responsible for this finding has been terminated and the account at the bank has been closed and the funds have been deposited in the general fund.

**Finding 2024-004** – The office had deficiencies in filing the annual financial report.

Sheriff Frey responded that the person responsible for this finding has been terminated and that he is implementing additional internal controls to make sure the annual financial report is filed timely.

No findings related to Financial Statements and Findings and Questioned Costs for Federal Awards were reported.

The Committee discussed the Best Practice comment with regard to adopting a Central System of Accounting, Budgeting, and Purchasing. After discussion with Chief Financial Officer Hollingsworth, no action was taken.

We further acknowledge that the Chief Financial Officer made the Committee aware of the opportunity for a representative of the Division of Audit to meet with the Committee or individual members to discuss any area of the audit.

Being no further information to report, the Audit Committee respectfully presents this report to the Henry County Board of Commissioners for its approval.

This report submitted May 12, 2025.

Re: Circuit & General Court budget transfer request  
53100-435 Office Supplies

I am requesting the following budget line item transfer(s):

Subtract \$2,000.00 from line item 53100-<sup>337</sup>~~338~~ Maintenance & Repair, AND \$1,000 from line item 53100-524 In-Service/staff development, in order to add \$3,000.00 to line item 53100-435 Office Supplies

The total of this request is **\$3,000.00**

Reason: We've encountered more expenses than estimated for this year's budget particularly for some small equipment such as printers, scanners, etc., that has left us short for the regular and routine office supplies. This is a line to line transfer with no new money being requested.

Respectfully,

April 28, 2025

Henry County, TN  
Mayor Randy Geiger  
101 W. Washington St.  
Paris, TN 38242

Dear Mayor Geiger:

Please accept this letter as notice of Republic Services request to extend the current agreement for a 2-year period, July 1, 2025, through June 30, 2027.

Effective July 1, 2025, the first year of the extended term, the rates for residential collection will increase to \$21.32, which is a 3.0 % increase on the current rate of \$20.70. The extra cart rate will remain \$6.40. The rates for year 2 will increase 3% on the anniversary date.

Over the last decade of the contract, the rate increases have only gone up 2.2% annually. At the start of the contract fuel was at \$2.85 per gallon. We saw fuel go as high as \$5.81 in 2022 and today it's currently at \$3.64. The CPI when the contract started was 0.2%. As you know, CPI went as high as 9.1% in 2022 and is currently at 2.8%. Obviously the 2.2% increases annually didn't keep up with the increase in costs for us to perform service, but we did so without asking for any relief from the County. We feel the extension pricing is very fair and competitive as stated in the meeting on pricing in the Market.

As we stated in the meeting, Republic Services will continue to provide the first-class dependable service the residents of Henry County have come to expect. As Ron stated, we will continue to provide proactive communication to the County. We will also continue our community support of events that are important to your residents.

Also, we are the safest in the Industry by far and we pride ourselves on making safety a number one priority. Stringent hiring practices, extensive driver training and cameras on the trucks ensure that we are providing the services expected and allows us to communicate any issues in the field with the County staff. Like this year when we had the snow event, we were proactive on our service plan, and we were able to get out the next day to service, unlike any of the other companies.

---

We look forward to continuing the partnership for 2 more years, and working with the Solid Waste committee on any waste or recycling programs you are interested in. If you have any questions, please feel free to contact me at your convenience. We appreciate the partnership over the years and look forward to working with you and your administration in the future.

## **RESOLUTION NO. 16-5-25**

### **A RESOLUTION OF THE HENRY COUNTY BOARD OF COMMISSIONERS TO APPROVE THE LEVY OF AN ADDITIONAL COUNTY-WIDE MOTOR VEHICLE TAX**

**WHEREAS**, T.C.A. § 5-8-102 authorizes counties to levy a motor vehicle privilege tax, or “wheel tax”, as a condition precedent to the operation of a motor vehicle within the county; and

**WHEREAS**, under a prior resolution of this Board of Commissioners, there is also a motor vehicle privilege tax of fifteen dollars (\$15.00) plus Administration fee of fifty cents (.50) for a total of fifteen dollars and fifty cents (\$15.50) assessed in Henry County, which tax will continue unless and until repealed by this Board of Commissioners; and

**WHEREAS**, the need for new revenue sources to fund construction, capital improvements, repairs, and maintenance is great in Henry County; and

**WHEREAS**, the Henry County Board of Commissioners has determined that it is in the best interests of the county that an additional motor vehicle privilege tax in the amount of thirty dollars (\$30.00) be levied in Henry County as provided herein, so that the total motor vehicle privilege tax in Henry County will be forty-five dollars and fifty cents (\$45.50) after June 30, 2026.

**WHEREAS**, it is the intent of this Commission that the tax imposed by this resolution be repealed upon completion of the following described projects and the satisfaction of any associated indebtedness: (a) construction of new county services building; (b) renovation of County building located at 311 East Wood Street, Paris; (c) renovation of County building located at 1108 Tyson Avenue, Paris and (d) restoration of courthouse bell tower and belfry;

**NOW THEREFORE BE IT RESOLVED** by this Board of Commissioners of Henry County meeting in regular session at Paris, Henry County, Tennessee, on the 27<sup>th</sup> day of May 2025, that:

SECTION 1. For the privilege of using the public roads and highways in Henry County, Tennessee, there is levied upon motor-driven vehicles, and upon the privilege of the operation thereof, except farm tractors, self-propelled farm machines not usually used for operation upon public highways or roads, and motor-driven vehicles owned by any governmental agency or governmental instrumentality, and except for other exemptions provided by general law, a special privilege tax for the benefit of such county, which tax shall be in the amount of forty five dollars and fifty cents (\$45.50) for each such motor-driven vehicle, the owner of which resides within said county. This tax applies to, is a levy upon, and shall be paid on each motor-driven vehicle, the owner of which resides within said county. This tax shall be in addition to all other motor vehicle privilege taxes now levied in Henry County.

SECTION 2. The tax herein levied shall be paid to and collected by the County Clerk of Henry County, who is authorized by T.C.A. § 67-4-103 to collect such privilege taxes. The County Clerk shall collect this tax at the same time he or she collects the state privilege tax levied upon the operation of a motor-driven vehicle over the public highways of this state, and all other county motor vehicle privilege taxes levied in Henry County. The County Clerk shall deduct a fee of five percent (5%), or such higher or lower fee as may from time to time be

authorized under T.C.A. § 8-21-701 for receiving and paying over county revenue, from the amount of taxes collect and paid over to the County Trustee.

SECTION 3.
